

Membership Packages

At US Federal Credit Union, we are committed to offering you a variety of product and service options. As a new member, a Share Savings account will automatically be opened for you. Plus, you'll also be able to add one of the following checking packages – each with no monthly minimum balance requirements and no monthly maintenance fees:

Amplified CheckingSM Package

It's easy to amplify your return since our Amplified Checking account earns dividends of a whole new magnitude – beyond virtually all other US Federal deposit accounts. Simply receive e-statements, enroll in automatic deposit or withdrawal, and transact 10 purchases each month with your Visa[®] Check Card. Pair this with a Preferred Savings account for an even higher return.

Preferred Checking Package

Want to maximize your credit union relationship? Then the Preferred Package is for you. Earn a higher rate of return through this package with a Preferred Savings and Free Checking account combination. Earn back a portion of each dollar you spend and gain access to your funds with the Cash-Back Visa[®] Check Card available with this package.

First Step Checking Package

Ensure a bright financial future with the First Step Checking account built specifically for those under age 18. Help teach valuable budget basics with an optional low limit Visa[®] Classic Credit Card and Cash-Back Visa[®] Check Card. Plus, receive the first 50 custom image checks free. Add a Preferred Savings account to this package for even more ways to save.

Check out all our additional products and services, available to further customize your membership:
