

USFCU Helps Safeguard Identity with Shred Day

BURNSVILLE – USFCU invited members and the community to a free Shred Day on Saturday, September 10, 2011 from 9 a.m. to 1 p.m. Individuals were able to bring up to two boxes of documents for shredding. Five of US Federal’s branch locations were involved in this year’s fall Shred Day including Bloomington, Burnsville, Fridley, Lakeville and Minneapolis. Shred-it out of Brooklyn Park provided a truck for each location for secure, on the spot document shredding which brought out many members and non members in the communities.

Although Shred Day has passed, there are still steps that can be taken to keep your documents secure and your identity safe. For more information about how to safeguard your sensitive information, visit www.usfed.org > Security Resources
