US Federal Credit Union Shows Love for Children’s Miracle Network

BURNSVILLE – Over the last few months, US Federal Credit Union (USFCU) has participated in two major fundraisers in an effort to raise money for Children’s Miracle Network (CMN) and Credit Union for Kids (CUFK). Through sales of Happenings books and hearts and links for the credit union-wide ‘Chain of Hearts’ campaign, USFCU helped raise over \$3,400 for these necessary youth-focused programs.

US Federal has taken the opportunity to sell Happenings Books for CMN during many of the past fall seasons. All branches of the credit union participated this past fall by making these popular entertainment and discount tools available to members, community guests, and employees. This year, US Federal was the *only* area credit union to participate in the program. With fifty percent of each book’s sales going to support CMN and CUFK, US Federal raised a total of \$2,000 through this campaign.

In addition, US Federal supported the 2010 Chain of Hearts Campaign during the January and February months. Running around the Valentine’s holiday to bring awareness of our care for the community and children, this campaign involved each US Federal branch location where paper hearts and chain links were available to members and employees to purchase. The hearts and links were then hung in the branch in recognition of the personal support and collaborative efforts for children through these organizations. US Federal’s participation raised a total of over \$1,400 during the January/February event.

“US Federal and its members and employees have been long-time supporters of CMN and CUFK; I’m always amazed at how much we can give back, along with our community,” says Bill Raker, USFCU President and CEO. “Their willingness to go the extra mile to help support children in need is outstanding.”

US Federal Credit Union is a member-owned, not-for-profit financial cooperative serving over 55,000 members in the Greater Twin Cities CommunitySM.
