**US Federal Credit Union Hits the Field with Prior Lake Kindergarteners**

BURNSVILLE – US Federal Credit Union (USFCU) once again supported the Prior Lake’s Edgewood Kindergarten Center and Westwood Elementary School’s Kindergarten classes’ Track and Field Day. This year, the students’ big event took place on Thursday, June 3rd at Ponds Park in Prior Lake.

For the fifth consecutive year, US Federal provided its presence in a unique way to cheer on over 300 kindergarten students during their high-energy day of friendly competition. USFCU donated popsicles and water for each track and field day athlete to help keep all the students cool on their exciting day of outdoor fun. The day was filled with a variety of competitive games, allowing the kids to exhibit their latest skills in events such as Frisbee Golf, Crazy Kickball, Soccer, Tug-of-war and Olympic Relays like baton passing, gunnysack races and more. Parent volunteers were thankful for the donations as they ran game stations and shepherded students around the park.

“We appreciate the continual support that US Federal Credit Union has given our school and students year after year. The kids had a great time at their Track and Field Day,” said Sue Muelken, Westwood/Edgewood Physical Education Teacher. “It’s great to know that we have neighboring organizations like US Federal that care about our community’s youth.”
