US Federal Credit Union President/CEO Elected Board Chairman of CUSCNI

BURNSVILLE – US Federal Credit Union (USFCU) President/CEO Bill Raker was elected Chairman of the Credit Union Service Centers Network, Inc. (CUSCNI) Board of Directors last month.

CO-OP Shared Branching and Financial Service Centers Cooperative (FSCC) work together through CUSCNI to offer credit union members the ability to utilize credit union services around the globe. By working cooperatively, members gain a more consistent experience with shared branching.

“Just as credit unions should be proud of the success they share by cooperating to better serve members, I am pleased with how these two shared branching organizations have come together to provide members with thousands of account touch-points. It will be a wonderful opportunity to be involved in an organization which is truly indicative of the credit union spirit,” stated Raker.

US Federal Credit Union is a member-owned, not-for-profit financial cooperative serving over 55,000 members in the Greater Twin Cities CommunitySM.
