## **US Federal Credit Union Hires AVP/Director of Data Center Operations**

BURNSVILLE – US Federal Credit Union (USFCU) is proud to welcome Rick Good to the position of AVP/Director of Data Center Operations.

Good comes to USFCU with 15 years of information technology experience, most recently as an IT Manager.

His primary responsibilities include management of the Core Financial, Imaging and Data Warehouse and Reporting applications and staff.

Good is excited by the new opportunities his position brings, and looks forward to being a part of the US Federal family. “Working collaboratively in a dynamic and challenging work environment is important to me. A key focus for me and my team will be delivery of the highest quality systems, service and support to USFCU staff and our members.”
